Turley Publications Submitted Photos

Restoration work is currently being done at the First Parish Unitarian Church of Hubbardston. This project is made possible by a matching emergency grant from the Massachusetts Projects Fund, through the Massachusetts Historical Commission (MHC), Secretary of the Commonwealth William Francis Galvin, chairman and a grant from the town's Community Preservation Projects Fund. The project is under the direction of Carol DiNinno, MHC Preservation Planner; architects Chenot and Associates of Princeton and contractor Murray Brothers Co, Inc. of Leominster.
