

Holden Chapel

"I am the vine, you are the branches. He who abides in me and I in him, bears much fruit." - John 15:5

To whom it may Concern,

In the aftermath of the December 11th ice storm, Holden Chapel was faced with massive water damage throughout our facility. A call was put into Murray Brothers Construction, who responded immediately with professional advice and excellent customer service.

In my dealings as project repair manager, I found Phil Murray to not only know his trade very well, but Phil understands church business as well. The quality of the work we received was 1st class and Phil's ability to manage the project made my job extremely easy.

Lastly and most importantly Phil is a great man of integrity. His pricing was great and his word was even better. We would most definitely use Murray Brothers Construction in the future.

Sincerely,

Robert B Williams
