To Whom It May Concern:

I am Pleased to offer this letter of recommendation for Murray Brothers Construction, I started my partnership with MBC in 2005 on a recommendation from a local architect. I find Phil and Jay over-accommodating and willing to take on any project no matter the size or scope.

Murray Brothers understands the demands of working in a retail banking environment, ensuring minimal or no impact to operations.

Again, I strongly recommend considering Murray Brothers for you next project.
